**Ready-to-use photo printing system**

15.6"

- ▶ **COMPACT & LIGHTWEIGHT**
- ▶ **READY TO PRINT**
- ▶ **MAXIMISED CONNECTIVITY**
- ▶ **MULTIPLE PHOTO FORMATS & PRODUCTS AVAILABLE**
- ▶ **SUITABLE FOR ID PHOTOS**
- ▶ **INTEGRATED EVENT MODE**

**DT-T90** 1-YEAR GUARANTEE
**DS620** 2-YEAR GUARANTEE

## Your partner to launch your photo activity with great ease!

The SL620 III is an all-in-one kiosk made up of the DT-T90 photo order terminal with the SnapLab+ software and a DS620 dye sublimation printer.

Autonomous thanks to its intuitive SnapLab+ software, the SL620 III enables professional or self-service use for your customers. Even in a limited space, you can propose an in-store photo printing service or take it to all your events.

**STORES SETTING UP A PHOTO ACTIVITY OR SMALL STORES**

**TRAVELLING PHOTOGRAPHERS OR PHOTO STUDIOS**

# SL620 III

## A wide range of products thanks to the 40 formats* available

- ▶ Print
- ▶ Panoramic print
- ▶ Print with borders or frames
- ▶ Collage
- ▶ Greeting card
- ▶ Calendar
- ▶ ID photo

A wide range of formats with the DS620: from the smallest 5 x 15 cm bookmark format to the largest 15 x 35 cm & 15 x 50 cm panoramic formats!
Plus 5 available finishes: glossy, matte, fine matte, luster & partial matte.

*Depending on the DNP printer(s) connected*

## A biometric* ID photo service

- ▶ The software analyses, checks and validates compliance of identity photos with the official requirements of each country.
- ▶ Quick and easy to use for all biometric passport applications and official identity photos.

*Available as an option*

## A mode for your events

- ▶ Its **event mode** enables personalisation of the photo frames, printing formats and terminal screen to match the event colours.
- ▶ It only takes the guests a few clicks to print their photos, thanks to the simplified printing flows.

## A ready-to-print compact photo kiosk

- ▶ Its small footprint that's perfect for small stores, and its light weight design that makes it easy to transport to all your events.
- ▶ Once the system has been connected, the SnapLab+ software starts as soon as the system is switched on.
- ▶ For users, the multiple image sources simplify their order process: USB port, SD, micro SD, MS, MS micro, xD, CF, smartphone cables, transfer via WiFi / Bluetooth for Android / Iphone smartphones.

## Guarantee and technical assistance

- ▶ Guarantee period of up to 2 years depending on the equipment, as from the DNP PIE invoicing date.*
